

**2017 Tablas Creek Patelin de Tablas  
Rose**

---

Smelling like summer in a bottle, the 2017 Patelin de Tablas Rosé is a lighter colored, perfumed, Provencal style beauty that gives up lovely peach, orange rind, and citrus aromas and flavors. It's clean, impeccably balanced, has good acidity, and great, classically dry finish. Year in, year out, it's one of the best roses coming out of California.
