Here is a sample of our **BevX Report** - http://bevX.com/bevX_report/carpano_antica_report.pdf

If your product has scored **4 Stars** or greater you *may* be given an invitation to be our **Beverage of the Week**.

Tasting Note & Score

Brilliant, deep and dark ruby color. The aromatics are very intense offering scents of black cherry, plum, and cigar box with supporting notes of blackberry, black pepper, and star anise. The palate echoes the nose delivering a black fruit-driven core with flavors of cassis with hints of lavender. The finish is long and lingering with dusty but chewy tannins. Medium to full-bodied and nicely balanced with a supple texture. Made with a blend of 52% Syrah, 31% Grenache, 11% Counoise, and 6% Mourvedre. **\$25 - 4 Stars - 93 points**
